

Job Description: Social Media Content Creator / Work Experience

Closing Deadline - 12th June

Overview:

At CARE, we manage diverse projects that require engaging short reel videos for Instagram. We are seeking a creative individual to help produce these reels using existing content and capturing simple footage at events.

You will primarily be working with the Live Well for Less project which offers energy saving ideas to save money and reduce carbon footprint for households in Pembrokeshire.

As well as creating Instagram content you will be publicising Live Well for Less events and potentially other CARE events if time allows.

Responsibilities:

- Create short reel videos for Instagram using pre-existing content.
- Create and publish Facebook posts
- Capture new simple footage during events to use in reels.
- Edit and assemble videos in an easy and appealing manner.

Requirements:

- Available one day a week (7.5 hours) this is likely to be 2 half days spread across the week working with the Live Well for Less team.
- Ability to work from Canolfan Clydau in Tegryn and / or Y Stiwdio in Hermon Pembrokeshire
- Knowledge of video editing for social media.
- Creative and able to produce engaging content.

Helpful: - Ability to communicate in Welsh

Pay: £14.06/hour (flat pay structure).

Details: Immediate start until 1st October.

- 7.5 hours per week.

How to Apply:

- Send your CV and a covering letter detailing your suitability for the role to emma@cwmarian.org.uk.

If you have any questions, feel free to contact Emma at the provided email. Join us at CARE and help bring our projects to life through engaging reel content!
